The image is a screenshot of a mobile application interface. At the top, it says 'StarTribune.com' and 'FanShop'. Below that, there is a product listing for 'JOE MAUER JERSEY: Adult 2010 Majestic Home Pinstripe Replica #7 Minnesota Twins Jersey'. The main visual is a white pinstriped baseball jersey with 'MAUER' and the number '7' on the back. Below the jersey is a 'SHOP NOW &gt;' button. At the bottom, there is a 'Top Categories' section with three items: 'JERSEYS &gt;', 'HATS &gt;', and 'T-SHIRTS &gt;'.

*Below is an event alert from Missy aka [The Marketing Mama](#)*

Teaching babies and toddlers sign language to help them communicate has become the new "in" thing - for good reason, it helps them communicate their needs before they can talk. On Friday, April 30, in Maple Grove there will be a concert featuring Rachel Coleman of Signing Time. Chances are you've come across Signing Time on PBS, Nick Jr or even at the library. It's an amazing educational show that teaches sign language through singing fun songs.

Signing Time is not designed to only serve those with hearing difficulties, it is also excellent for teaching babies and toddlers how to communicate (which is what we did in our family), and many individuals with disabilities find signing helps them immensely.

The concert is going to be a benefit to raise money for the Signing Time Foundation, which means the tickets are very reasonable at \$5 for children under 18 and \$10 for adults. The show will be lots of fun for Signing Time

fans and families that are new to signing.

**Oh! We LOVE Signing Time!**

We get the videos at the library, and my 20 month old signs more words than she talks. My 3 1/2 year old will sign the "It's signing time with Alex and Leah" song whenever we pick out a video. Thanks for letting me know about this - I've got to take them!!!
