

Signing Time Theme Song

There's singing time and dancing time
And laughing time and playing time
And now it is our favorite time SIGNING TIME!
It's SIGNING TIME with Alex and Leah
It's SIGNING TIME with Alex and Leah

Come visit our big tree house
You can visit everyday
There's lots of room for everyone
And we can start today

It's SIGNING TIME with Alex and Leah
It's SIGNING TIME with Alex and Leah
It's SIGNING TIME with Alex and Leah
Come and play

Where friends can meet
And find we're not so different after all
So much to share we love to play
So come on in and share our day.

There's singing time and dancing time
And laughing time and playing time
And now it is our favorite time SIGNING TIME!
It's SIGNING TIME with Alex and Leah
It's SIGNING TIME with Alex and Leah
It's SIGNING TIME with Alex and Leah
Come and play

There's singing time and dancing time
And laughing time and playing time
And now it is our favorite time SIGNING TIME!
It's SIGNING TIME with Alex and Leah
It's SIGNING TIME with Alex and Leah
It's SIGNING TIME with Alex and Leah
Come and play, come and play, come and play

My Things Have a Right Place

I clean up my room
I make my own bed
My shoes don't go under the table
I'm able to
Open my closet and put them away
So I can find them the next day

I pick up my toys
I line up my books
My blocks don't go under the table
I'm able to
Open my toy box and put them away
So I can find them the next day

My things have a "right place"
A place they belong
If I just put them away
They will be waiting for me
The next time we play

I hang up my coat,
My mittens and hat
My socks don't go under the table
I'm able to
Open my hamper and in there they'll stay
So they will get clean on washday

My things have a "right place"
A place they belong
If I just put them away
They will be waiting for me
The next time we play

My things have a "right place"
A place they belong
If I just put them away
They will be waiting for me
The next time we play

Helping Out Around the House

I'm helping out around the house
Around the house I'm helping out
A lot of things that we can do
You help me I'll help you!

Together we can do the wash
I can fold small things
Like washcloths, or matching
socks
Leave those up to me!

I'm helping out around the house
Around the house I'm helping out
A lot of things we can do
You help me I'll help you!

Together we can clear the table
Put things in the sink
I'd love to help with dishes
The plastic don't you think?

Clear the table
Fold the Laundry

I love helping you

Sweep the floors
Is there more?
I love to help cause this is my
house too

I'm helping out around the house
Around the house I'm helping out
A lot of things that we can do
You help me I'll help you!

Together we can sweep the floor
I'll hold the dustpan still
I can help you vacuum
Or dust the windowsills

I'm helping out around the house
Around the house I'm helping out
A lot of things we can do
You help me I can help you!

You help me I can help you!

We sit down together and read

In the beginning
Once upon a time
That's where it all starts

I ask for a story
A favorite of mine
With all my favorite parts

When we sit down together and
read
We sit down together just you and
me
And we sit down together and
read
We sit down together and read

I turn the pages
You read the lines
We can help each other

I love this story
And I love this time
Between the book covers

When we sit down together and
read
We sit down together just you and
me
And we sit down together and
read

We sit down together and read

I know the words
From so many times
I can follow along

And I always notice
If you skip a line
The whole thing just sounds
wrong

When we sit down together and
read
We sit down together just you and
me
And we sit down together and
read
We sit down together and read

When we sit down together and
read
We sit down together just you and
me

And we sit down together and
read

We sit down together and read
We sit down together and read
We sit down together and read

Pick A Book

Why don't we pick a book?
Find a book to read
A great big book, a little book
Read a book with me!

Would you be my partner?
Together reading's best
I can sound out words
But sometimes I just guess

Why don't we pick a book?
Find a book to read
A great big book, a little book
Read a book with me!

When we read together
I learn the words with you
If you get stuck I'll help
'Cause I'm a reader too!

Why don't we pick a book?
Find a book to read
A great big book, a little book
Read a book with me!

I might be a writer
Who really loves to read
Perhaps I'll **write** a book
About my favorite things

Why don't we pick a book?
Find a book to read
A great big book, a little book
Read a book with me!
A great big book, a little book
Read a book with me!

Who Has the Frog

Who, Who, Who has the frog?
Where, where, where did he
go?

How, How, How did I lose
him?

I don't know! I don't know

Why, why, why can't I find
him?

When, when, when did he go?
Which, which, which way to
look?

Here we go! Here we go!

I will guess 2 times
This is what I say:
Do you have the frog?
Do you have the frog?
No way! No way!

Who, Who, Who has the frog?
Where, where, where did he
go?

How, How, How did I lose
him?

I don't know! I don't know!

Why, why, why can't I find
him?

When, when, when did he go?
Which, which, which way to
look?

Here we go! Here we go!

I will guess 2 times
This is what I say:
Do you have the frog?
Do you have the frog?
Hurray! Hurray

Who, who, who
Where where, where
How how, how
Why why, why
When when, when
Which which, which
Who, Who, Who has the frog
