

## Rainbow Handy Craft

The leprechaun's secret hiding place for his pot of gold is said to be at the end of the rainbow. Enjoy creating your own rainbow and pot of gold while learning about colors.

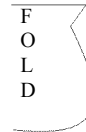

### Material Needed:

- 1 piece white construction paper
- 1 piece black construction paper
- pencil
- scissors
- glue
- gold glitter
- red washable temper paint
- blue washable temper paint
- yellow washable temper paint
- 1 paper plate
- 3 cotton swabs

Time to Create!

**Step 1:** Fold the black construction paper in half and trace template below.

**Step 2:** Cut out the traced lines to create the pot.

**Step 3:** Glue the pot to the bottom right hand corner of the white construction paper.

**Step 4:** Place paint on the plate as shown in picture.

**Step 5:** Take a cotton swab and mix the red and yellow to create orange.

**Step 6:** Take another cotton swab and mix the yellow and blue to create green.

**Step 7:** Take another cotton swab and mix the blue and red to create purple.

**Step 8:** Using your fingertips start with red paint and create an arch from the lower left hand corner to the top right side of the pot. (You can either do it with your fingerprints or by finger-painting the arch.)

**Step 9:** Under the red arch create an arch with the orange paint.

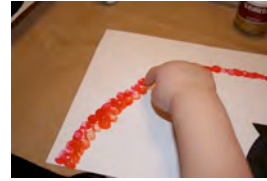

**Step 10:** Under the orange arch create an arch with the yellow paint.

**Step 11:** Under the yellow arch create an arch with the green paint.

**Step 12:** Under the green arch create an arch with the blue paint.

**Step 13:** Under the blue arch create an arch with the purple paint.

**Step 14:** With the glue, draw small circles above the pot and sprinkle with the gold glitter.
