

September Hand-y Craft Handy Display Clips

This craft makes it fun and easy for children to display their school work on the refrigerator!

Materials Needed:

- Cardstock or craft foam sheet
- Pencil
- Scissors
- ½ inch round magnet
- clothes pin or bulldog clip (see photo to the right)
- Craft glue or hot glue (with parent's help!)
- Crayons or markers
- Craft embellishments (glitter glue, stickers, foam decorations, etc.)

Time to Create!

Step 1: Trace one hand on to a foam sheet or card stock.

Step 2: Carefully cut out the hand shape.

Step 3: Write a personalized message on your hand, such as:

Hand Made By (child's name)
Handy Work of (child's name)
Look What (child's name) Did!
(child's name)'s Work of Art

Step 4: Decorate your hand with craft embellishments.

Step 5: Use craft glue or hot glue (with parent's help!) to attach the magnet to one side of the clothes pin or clip.

Step 6: Glue your decorated hand to the clip, on the opposite side of the magnet.

Step 7: Stick the magnet to the refrigerator. Use the clip to hold your school work and display it for all to see!
